

## Sprint 3 Report

### Actions to Stop Doing

- Stop getting distracted during group work sessions. We are focused for the most part, but once someone gets distracted it's easy for the rest of the group to follow.

### Actions to Start Doing

- Start collaborating effectively between teammates.

### Actions to Keep Doing

- Keep following scrum and communicate with team members outside of scrum meetings.

### Work Completed

- **Frontend**- Ratings page for elected officials as well as individual member profiles. Cleaned client folder
- **Backend**- Prepared to send data to the frontend, linked with frontend for feed layout and bill layout. Created authentication token and individual members profiles.

### Work Not Completed

- Implementation of auth token.
- Linking of front/backend for individual member profiles and login/signup pages.
- Backend for rating page.

### Work Completion Rate
